

Enrollment Policies of Unlimited Athletics and Cheer

Once Enrolled:

- Once enrolled in our program, you will be continuously enrolled in our program that has monthly installment billing until you drop enrollment.
- A cancellation email must be submitted to cancel enrollment for the following month. We ask for a 30 day cancellation.
- If you choose to drop for the upcoming month, you MUST submit a cancellation email to info@unlimitedathleticsnd.com by the 7th of the current month.
- Tuition for each month is charged on the 1st of each month at 8am.
- We do not issue credit if you drop earlier in the month and there are classes remaining.

Auto Pay System

- We use an auto-enroll/auto-pay system and a credit card must be on file to insure monthly installment payments for tuition.
- You can elect to pay your tuition with cash or check prior to the 1st so that your credit card is not charged. Please keep in mind, if tuition is not paid by the 1st, the system will initiate an electronic payment for the amount due.
- All payment receipts are emailed to the email that you provide on the Registration Form.
- We have a flat-rate tuition program that is based on 48 weeks of classes per year.
- Throughout the course of the year, you will notice there are months with 4 weeks per month and also 5 weeks. We do not charge more for months that have 5 weeks.
- In addition, we have scheduled closure dates throughout the year where, depending on the day of the week you come, there may be only 3 weeks of classes for the month.
- Unlimited Athletics does not offer credits, makeup classes or refunds for classes missed. Your tuition is based on enrollment (guaranteed spot) and not a reflection of attendance.
- Tuition, and program fees are subject to change based on market inflation, usually in July and/or January each year.

Discounts

- Sibling discount is 5% off all additional children. (1st child pays the full tuition rate)
- Multiple class discount is 25% off for each additional class taken (multiple tumbling classes if available).

Missed Class Policy

- When registering, you are reserving a spot in a specific class every month. We do not offer makeup classes at this time. Tuition is based on enrollment, not attendance. We are unable to put your account on hold and also save a spot in a class. To guarantee your spot in your class you must remain enrolled.
